

DREAM BIG: FROG MASK

INSTRUCTIONS:

1. Color your frog!
2. Cut out the white edges of the paper along the black outline of your mask.
3. Using a hole puncher, pierce the holes on both sides of the cheeks.
4. Cut a string that is half the circumference of the head. This part will secure your mask, make sure to measure about 2-3 extra inches for tying.
5. Run one end of the string through one hole, and tie a double knot. Be sure to tie the knot away from the mask and then pull it through tightly.
6. Cut the extra yarn at the end of the knot.
7. Repeat Step #5 for the other side.
8. Wear your mask with pride!
